

## **Surviving Suicide: One Mother's Journey to Acceptance After Her Son's Death by Victoria Polmatier**

### **Author bio**

Victoria Polmatier is best known for her loving heart and laughter. She's happiest when with her family or writing a poem about life or when she has her hands in the dirt tending her herbs and garden. Victoria lives in Southwest Washington with her husband, their pets and a flock of chickens. She can be found on social media as "naturalvic" or her website at [victoriapolmatier.com](http://victoriapolmatier.com).
